

Kongress Time, the body and the other

Congress „Time, the body and the other“: Lectures available on Youtube

Heidelberg, November 20th, 2018.

Most of the main lectures held at the congress „Time, the body and the other – Phenomenological and Psychopathological Approaches“ are now available on Youtube.

(By clicking on the picture above you will be redirected from fest-heidelberg.de to Youtube)

The conference was organized by the research group of the Marsilius-Kolleg „Embodiment as a Paradigm for an Evolutionary Cultural Anthropology“, the *Deutsche Gesellschaft für phänomenologische Anthropologie, Psychiatrie und Psychotherapie* (German Society of Phenomenological Anthropology, Psychiatry and Psychotherapy (DGAP) and the *Forschungsstätte der evangelischen Studiengemeinschaft* (FEST)).

For the programm, information about the keynote speakers and abstracts of the main lectures, see [here](#).
