

Research fields and cross-cutting projects

Research fields and cross-cutting projects

Studies are carried out in the following research groups:

- [Religion, law and culture](#) (leader: Dr. Thorsten Moos)
- [Peace and sustainable development](#) (leader: Prof. Dr. Hans Diefenbacher)
- [Theology and natural science](#) (leader: PD Dr. Magnus Schlette).

In addition, the members of FEST occasionally run [cross-cutting projects](#) on transversal issues.
